

Submitting a Pre-loaded Backcountry Reservation Application on Pay.gov

When you are ready to submit an advance reservation application, you will need to retrieve it from the “My Forms” section of your account.

The screenshot shows the Pay.gov 'My Account' page. At the top right, the text 'Welcome, bmckeon' is followed by a link 'My Account' which is circled in red. A red arrow points from this link down to the 'My Forms' link in the left-hand menu, which is also circled in red. Another red arrow points from the 'My Forms' link up to the 'My Account' link. The page features a dark blue header with the Pay.gov logo, a search bar, and navigation links: 'MAKE A PAYMENT', 'FIND AN AGENCY', and 'ONLINE H'. Below the header is an 'Alert Message' about a system outage. The main content area is titled 'My Account' and includes sections for 'My Forms', 'Payment Activity', 'Profile Information', 'Enter Access Code', and 'Payment Accounts'. Each section has a brief description and a 'View' button. On the right side, there is a 'Need Help?' section with contact information for Pay.gov Customer Service.

On the last page of the application, after reviewing your itineraries and making any changes, click on “Continue”.

We recommend saving your account payment information on Pay.gov prior to submitting your application. This will make submitting the application much faster. In the example below, you would only have to enter the security code for your credit card in order to move on to the final screen. The screen below is NOT the submittal screen. There's one more to go.
